Position Profile

Data Integration and QA Analyst

Position Overview

Finacity Corporation is seeking a talented, entrepreneurial-minded professional to work on mission-critical, challenging projects. The Data Integration and QA Analyst will assist in the following areas:

- Data integration specifications writing
- Crafting elegant solutions to handle complex data scenarios
- Developing a comprehensive understanding of Finacity's end-to-end reporting platform
- Quality assurance
- Report design and templating
- Liaising regularly and closely with Onboarding, Product Management and Technology teams

In addition, this candidate will interact with senior management and Finacity team members in the Analytics, Servicing, and Deal Structuring groups.

This is a great opportunity for a professional with a comprehensive approach to problem solving and who thrives in a fast-paced environment!

Required Qualifications

- Intermediate SQL knowledge
- Scripting language proficiency (Python preferred)
- Microsoft Excel proficiency

Preferred Qualifications

- Data integration and/or QA experience
- Knowledge of Accounts Receivable, MS Access, VBA, White Box testing, Agile

Professional Characteristics

- Team player who takes ownership of tasks and deliverables
- Self-starter with a strong work ethic
- Detail oriented with logical thought process
- Entrepreneurial and innovative; willing to roll up your sleeves
- Able to work independently in a fast-paced environment
- Strong verbal/written communication skills

Location

- Stamford, CT (Hybrid)

Reporting Structure

- This position reports to the Director of Servicing within the Servicing/Onboarding group

Compensation and Benefits

This role will have a competitive base salary and bonus structure dependent on the individual's skills and relevant years of experience. This role will be eligible for an annual bonus that is subject to individual and company performance. At Finacity, you will be eligible for benefits including medical and dental insurance, three to five weeks of paid vacation depending on seniority, short-term disability, long-term disability, a pretax transit benefit, paid parental leave, life insurance and accidental death and dismemberment insurance, and the option to participate in a 401(k) retirement savings plan with an employer match. The company reserves the right to modify these plans as necessary.

FINACITY
A White Oak Company

Position Profile

Data Integration and QA Analyst

Company Profile

Finacity, a White Oak company, specializes in the structuring and provision of efficient capital markets receivables funding programs, trade receivable securitizations, supplier and payables finance, and program administration. Finacity currently facilitates the financing and administration of an annual receivables volume of over US $200 billion. With resources in the USA, Europe, Latin America, and Asia, Finacity conducts business throughout the world with obligors in 210 countries and territories. Finacity also facilitates off-balance-sheet securitizations under both US GAAP and IFRS, the latter through investments and services from its subsidiary, Finacity Asset Management. Finacity is affiliated with White Oak Global Advisors, LLC, a leading alternative debt manager specializing in originating and providing financing solutions to facilitate the growth, refinancing, and recapitalization of small and medium enterprises.
