FINACITY
A White Oak Company

Position Profile

Java/SQL Software Developer

Position Overview

Finacity Corporation is seeking a talented, entrepreneurial-minded IT professional to work on high visibility, challenging projects. Finacity's applications are developed using Java and MySQL and run on the Windows and Linux server environments. These applications facilitate all aspects of Finacity's middle and back office operations, and as such, have a direct impact on Finacity's daily trade receivables securitization business. In addition this candidate will interact with senior management and Finacity team members in the Analytics, Product Management, Servicing, and Deal Structuring groups.

This is a great opportunity for an IT professional with a comprehensive approach to problem solving and who thrives in a fast-paced environment!

Required Qualifications

- Bachelor's degree in Computer Science or a related field
- Strong core Java and object-oriented programming skills
- Solid SQL knowledge
- Proficiency with Git for version control
- Familiarity with Linux and Windows server environments

Preferred Qualifications

- Experience with Spring, Hibernate, TypeScript, Node.js, or Docker
- Experience working with REST-based APIs
- Exposure to MongoDB
- Experience with GitHub Actions or CI/CD pipelines

Professional Characteristics

- Team player with strong communication skills
- Self-starter with a strong work ethic
- Entrepreneurial and innovative; willing to roll up your sleeves
- Able to work independently in a fast-paced environment
- Detail-oriented with sound judgment and a commitment to high-quality work

Location

- Stamford, CT (Hybrid)

Reporting Structure

- This position reports to the Director of Software Development within the Technology group

Compensation and Benefits

This role will have a competitive base salary and bonus structure dependent on the individual's skills and relevant years of experience. This role will be eligible for an annual bonus that is subject to individual and company performance. At Finacity, you will be eligible for benefits including medical and dental insurance, three to five weeks of paid vacation depending on seniority, short-term disability, long-term disability, a pretax transit benefit, paid parental leave, life insurance and accidental death and dismemberment insurance, and the option to participate in a 401(k) retirement savings plan with an employer match. The company reserves the right to modify these plans as necessary.

Company Profile

Finacity, a White Oak company, specializes in the structuring and provision of efficient capital markets receivables funding programs, trade receivable securitizations, supplier and payables finance, and program administration. Finacity currently facilitates the financing and administration of an annual receivables volume of over US $200 billion. With resources in the USA, Europe, Latin America, and Asia, Finacity conducts business throughout the world with obligors in 210 countries and territories. Finacity also

facilitates off-balance-sheet securitizations under both US GAAP and IFRS, the latter through investments and services from its subsidiary, Finacity Asset Management. Finacity is affiliated with White Oak Global Advisors, LLC, a leading alternative debt manager specializing in originating and providing financing solutions to facilitate the growth, refinancing, and recapitalization of small and medium enterprises.
